INDIANA FARM BUREAU®

Agricultural Act of 2014

- I. Commodities – ARC, PLC, Sugar, Dairy MPP, livestock & supplemental disaster programs
- II. Conservation – CRP, EQIP, CSP, CIG, WHIP, conservation compliance
- III. Trade
- IV. Nutrition – SNAP
- V. Credit – beginning farmer loans, increased access to capital
- VI. Rural Development – broadband, business loans
- VII. Research – extension/land-grant institution, public research initiatives
- VIII. Forestry
- IX. Energy – REAP, BCAP, bioenergy programs
- X. Specialty Crops & Horticulture
- XI. Crop Insurance – SCO, cotton and peanut revenue crop insurance, beginning farmer/rancher insurance
- XII. Miscellaneous

Questions to Consider

- What are the goals for Indiana's future in agriculture?
- Given the farm economic conditions, what do farmers need help with?
- What are your farm's priorities moving forward?
- What role do you see yourself having in the next years related to agriculture?
- What role would you like to see the Farm Bill play?

Agricultural Act of 2014 Budget

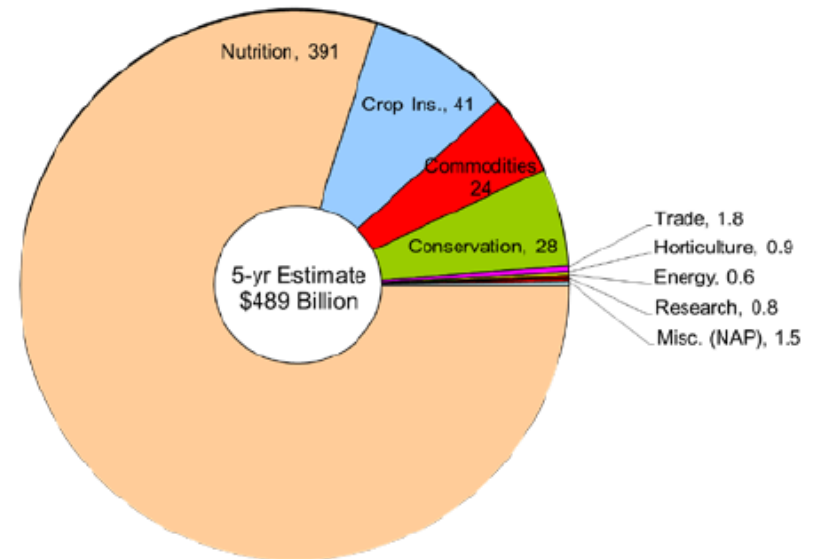

Table I. 2014 Farm Bill Budget, by Title (P.L. 113-79)
(millions of dollars, FY2014-FY2018)

2014 Farm Bill Titles	CBO baseline FY2014-FY2018	CBO Score (chg. to baseline)	Projected Outlays (Baseline + Score)	Share
I Commodities	29,888	-6,332	23,556	4.8%
II Conservation	28,373	-208	28,165	5.8%
III Trade	1,718	+64	1,782	0.4%
IV Nutrition	393,930	-3,280	390,650	79.9%
V Credit	-1,011	+0	-1,011	-0.2%
VI Rural Dev.	13	+205	218	0.04%
VII Research	111	+689	800	0.2%
VIII Forestry	3	+5	8	<0.1%
IX Energy	84	+541	625	0.1%
X Horticulture	536	+338	874	0.2%
XI Crop Ins.	39,592	+1,828	41,420	8.5%
XII Misc. (NAP)	705	+839	1,544	0.3%
Total, Direct Spending	493,941	-5,310	488,631	100%

Source: CRS, using the CBO baseline and 2014 farm bill cost estimates (<http://www.cbo.gov/publication/45049>); CBO, "May 2013 Baseline for the 2008 Farm Bill Programs and Provisions, by Title," unpublished, May 2013; and "Updated Budget Projections: Fiscal Years 2013 to 2023," May 14, 2013 (<http://cbo.gov/publication/44172>). Reflects mandatory outlays in millions of dollars (FY2014-FY2018).

CBO estimated that the total cost of mandatory programs in the 2014 farm bill would be \$489 billion over the next five years (FY2014-FY2018).

Figure I. Share of Projected Outlays, 2014 Farm Bill
(billions of dollars, FY2014-FY2018)

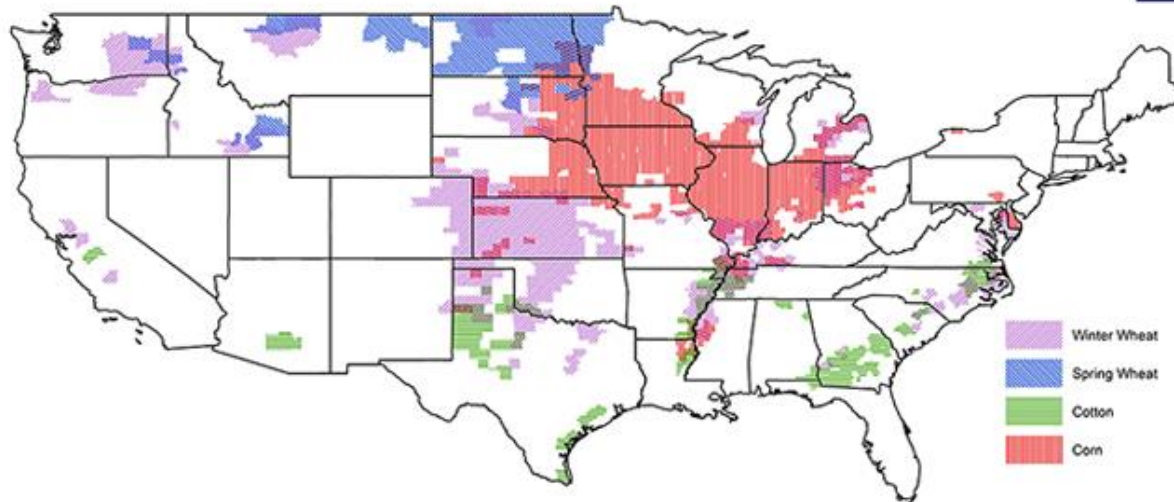

Source: CRS, using CBO's 2014 farm bill cost estimates (<http://www.cbo.gov/publication/45049>). Shows five-year projected mandatory outlays, FY2014-FY2018, in billions of dollars by title.
